

## Danyel Shabazz, Secretary, United Nation Builders

Born in Albuquerque, New Mexico in one of the roughest parts of town known as the Kirk.

Brother Danyel Shabazz, like many, grew up facing adversities. At an early age he witnessed gang and domestic violence, police brutality and poverty.

Despite the adversities, he was raised in a loving home, mostly by his grandparents, Mr. & Mrs. Carrell.

At age 15 he moved to San Antonio, Texas to reside with his mother until his adult life, which is where he currently resides.

Throughout all the things in life he experienced and witnessed, he grew a strong desire to change not only his condition but also the condition of his people, who suffered the same as him or worse.

In 1996 he became a member of the Nation of Islam and began his journey to help bring about change for his people.

Over the years he developed skills in audio engineering, sales, marketing, public relations and counseling.

Brother Danyel Shabazz is a founding member and secretary of the United Nation Builders inc., and still an active member of the Nation of Islam under the teachings of the Honorable Elijah Muhammad.
